

GLAVAL PRIMETIME

STYLE, VERSATILITY AND VALUE

There's no need to sacrifice comfort and flexibility when you are looking for a narrow-body, light duty vehicle. The redesigned Glaval Primetime is the complete package. Manufactured on the durable Ford E350 chassis, this bus is built to withstand years of tough street conditions. The Primetime also offers numerous options to choose from

and provides more versatility than a raised roof van. The laminated straight sidewalls and fully welded aluminized steel structured passenger compartment allows for more interior space throughout the bus. Search no further...experience our safety conscience, value-packed bus, the new Primetime from Glaval.
